Your Eagle Number is the last 8-digits to the left of your picture on the Eagle-One Card. Keep your Eagle Number easily accessible since it allows you to access your records on *U-View*, and it is often requested by the University as a form of identification.

## E-Mail

E-mail accounts are automatically created for all full-time undergraduates and all graduate students. The Office of Student Services uses E-mail as their preferred means of contacting students.

To view your E-mail address, log on to AGORA at [agora.bc.edu](http://agora.bc.edu). You will need your username and PIN to access your account. Select *U-View* from the pull down menu and click on E-mail address. Your E-mail address will be displayed. From this screen you may also forward your BC account to another E-mail account.

The address of the mail server for all graduate students entering in the fall of 2001 or in the spring of 2002 is [mail4@bc.edu](mailto:mail4@bc.edu). This change does not effect graduate students who currently have BC E-mail accounts.

Parking Notice: As of the fall 2001 semester, the University will no longer issue commuter permits to undergraduate students living off-campus on public transportation lines. This policy change was necessitated by the severe parking shortages the University experienced this past year and will effect all students residing in Allston, Boston, Brighton, Brookline, and Chestnut Hill.

Registration Preparation

Graduate Students

The spring 2002 on-line registration and drop/add period for graduate students, except GSSW students, will begin on November 9 and will continue through January 18 at 11:00 P.M. GSSW registration will begin on November 12 at 7:00 P.M. and close on December 7 at 11:00 P.M.

Graduate students in GSA&S, CGSOM, LGSOE, GSON, and GSSW who register before December 14, 2001, will have their registration fee waived. This waiver only applies to those students who complete their registration by December 14. Students who add courses after December 14 will be charged the \$15 registration fee.

Students registered for Doctoral Continuation in the fall will be registered for the spring unless they graduate in December or are enrolled in programs that require departmental permission. Those students whose depart-

ments require permission need to obtain a departmental override. Graduate students using Lynch School of Education teaching vouchers should see Patricia O’Kane in the Graduate Admissions Office, Campion 103.

Special Students who have not applied to a degree program or who have applied but have not yet been accepted and wish to take graduate level courses must apply as special students to the appropriate graduate school. This policy also applies to students who wish to take graduate level courses using teaching vouchers and have not applied or been accepted into a graduate school at Boston College. Those who have previously taken courses using vouchers should contact the Admission Offices to be readmitted.

Undergraduate Students

The spring 2002 registration and drop/add period for undergraduates will begin on November 12 and continue through 11:00 P.M. on January 18, 2002. CSOM students in the Class of 2002, 2003, and 2004 and Arts and Sciences students in the Class of 2002 should have received their registration materials in the mail during the week of October 15. All other undergraduates must pick up their Registration Information/Degree Audit forms from their advisors beginning October 22.

Undergraduates will need a (1) Personal Identification Number (PIN) and a (2) 4-digit registration access code. The registration access code is printed on the Registration Information/Degree Audit form. The access code is necessary in order to register; it ensures that students have met with their faculty advisors, if required for their school and class year.

The Registration Information/Degree Audit form also includes the registration appointment time and a complete Degree Audit. The Degree Audit is a computerized matching of the degree requirements for a student's year, school, and major with the courses that have been completed. If the Degree Audit is not accurate, students should make an appointment to see their Recorder. The Recorder’s name, telephone number, and E-Mail address are listed on the Registration Information/Degree Audit form.

Undergraduates have been assigned a registration appointment time based on class year. Appointments are scheduled from 8:00 A.M. to 5:00 P.M. and should not conflict with course schedules. Since the appointment time is stored on the computer, undergraduates may not register before their appointment, although they may register any time thereafter.

Registration Procedures

Graduate and undergraduate students register and drop/add using either the *U-View Plus* system—available from any computer terminal or microcomputer with a network (EagleNet) connection or with a dialup (modem) connection to BC’s administrative mainframe computer—or the *U-Dial* voice-response system. *U-Dial* can be accessed from a touch-tone telephone by dialing 617-552-8800. The registration systems will be available seven days a week (with exceptions) until 11:00 P.M. through January 18. Undergraduates can register at or after their appointment times. Graduate students may register on or after November 9. All students may drop/add any time after they have registered. The appropriate department/Dean's Office must approve drop/adds after January 18.

Registration Information

Advising

Students can check their records on *U-View* for their advisor's name. *U-View* machines are located in Lyons Hall, dining hall level, O’Neill Library, McGuinn lobby, Lower Campus Dining Hall or McElroy. CSOM students should reference <http://www.bc.edu/csomadvice.html> before registering for courses.

Course Descriptions

Access the Office of Student Services’ web site for course descriptions at the following address: <http://www.bc.edu/courses>. Use the Schedule of Courses on the Web to determine the index, section numbers, and the meeting time of each course. You may also browse courses on *U-View Plus* by using the “C” option, which will access both fall and spring semester courses, or search for courses by instructor name, by course title, and by open cours-

es (not closed or canceled). The Office of Student Services has created a search feature called **Search BC Courses** on its web site at [www.bc.edu/studentservices](http://www.bc.edu/studentservices). **Search BC Courses** features a pull down menu for course descriptions including those that satisfy University Core requirements.

### Course Restrictions/Closed Courses

An asterisk (\*) next to a course indicates a restriction. The specific restriction is printed underneath the course. Courses may be restricted by school (e.g., For Education Only), by degree (e.g., For Doctoral Students Only), or by major (e.g., For Economics Majors Only). The department may hold other courses, or sections of courses, so that they are unavailable during certain periods of registration. Some courses (including all graduate courses) may be available to undergraduates with department permission only. Note: If you are planning to change your major, be sure to check the **General Information** section for instructions.

### Overrides

In exceptional cases, a department may decide to override a course restriction. If you wish to obtain an override for a course that was closed or restricted when you registered, see the department offering the course. If the department chairperson or assistant decides to allow you to register for the course, he or she will give you an *Approval/Override* form or process the override in the department. The form must be stamped in the appropriate section: *Open/Restricted* overrides school, major, degree and department restrictions; *Override for a Closed Course* overrides all restrictions and size limits for closed courses. In rare cases you may need to obtain permission to override a corequisite or to register for two courses that conflict in time. In those cases the *Approval for Time Conflict* must be signed.

If you obtain an override for a restricted or closed course take the form to Lyons Hall after you have registered. You cannot process overrides through *U-Dial* or *U-View Plus*.

Students in A&S, CSOM, and SON, who maintain a 3.00 GPA, may add a sixth course on-line (up to 20 credits) during the first week of classes.

### Registration Holds

If you have an outstanding balance on your student account, are missing a transcript from a university you attended previously, or have failed to submit proof of immunization to the Health Services Office, a hold may be placed on your registration. If a registration hold message appears on the screen, you must see the appropriate office to resolve the situation before you can register.

### Immunization Requirement

Both graduate and undergraduate students registering at the credit levels listed below are required to comply with Massachusetts General Laws (the College Immunization Law):

College of Arts and Sciences	9 credits
Carroll School of Management	12 credits
College of Advancing Studies	12 credits
School of Nursing	9 credits
Lynch School of Education	9 credits
School of Social Work	18 credits
Law School	12 credits

The College Immunization Law requires proof of the following immunizations:

- 1 Tetanus-Diphtheria Booster: Within the past 10 years
- 2 Measles Immunizations: Dose 1 must be after the first birthday: Dose 2 must be at least one month after the 1st dose
- 1 Mumps Immunization: Immunized with vaccine after the first birthday
- 1 Rubella Immunization: Immunized with vaccine after the first birthday

Effective September 2001 all full-time freshmen must show proof of having received 3 doses of the hepatitis B vaccine.

If proof of immunization for measles, mumps, and/or rubella is not available, a blood Titer showing immunity will be accepted.

Students who failed to provide proof of immunization by October 4, 2001, were charged a \$50.00 administrative processing fee that was reflected on their October bill. The only exceptions permitted are conflicts with personal religious belief or documentation by a physician that immunizations should not be given due to pre-existing medical problems.

### Massachusetts Medical Insurance

Commonwealth of Massachusetts Law has mandated that all students, graduate and undergraduate, taking at least 75 percent of full-time credit hours must be covered by medical insurance providing a specified minimum coverage. Determination of whether or not a graduate student is required to enroll in the insurance program is based strictly on the actual number of credits for which the student is registered each semester.

Listed below are the 75 percent of full time hours for the graduate schools.

- GSSW students who register for 12 or more credits
- CGSOM and CAS students who register for 9 or more credits.
- GSA&S, GSON, LGSOE who register for 7 or more credits.

Please note: All doctoral students as well as all international students at Boston College will automatically be charged for the Boston College Medical Insurance unless a waiver is submitted showing comparable insurance. International students may not waive the BC insurance plan themselves. They must contact the Intercultural Office at 617-552-8005 if they wish to waive the insurance.

Boston College will offer all students—graduate and undergraduate—the option of participating in the plan offered at the University or of submitting a waiver. The details of the University’s Insurance plan are available on the *U-View* system or on the web at <http://agora.bc.edu>.

Students may waive the BC insurance plan by completing the electronic waiver form on *U-View* or on the web. Students under the age of 18 are required to submit a written waiver form with the signature of their parent/guardian. This form is available for download at [www.bc.edu/studentservices](http://www.bc.edu/studentservices). **The waiver had to have been completed and submitted by October 12, 2001, for fall semester and must be completed by February 8, 2002, for spring semester.** Students who do not complete a waiver by the due date will be enrolled and billed for the BC plan.

All part-time bachelor and master’s students, including those registered for Master’s Interim Study, who wish to purchase health insurance must enroll directly with the insurance company. The part-time enrollment form is available at the Boston College Health Services department in Cushing Hall, at Walter W. Sussenguth and Associates, or on the Web at [www.bc.edu/studentservices](http://www.bc.edu/studentservices). The coverage becomes effective upon receipt of the application and payment by the insurer if received after the due date above.

### Billing Information

These restrictions include denied access to Housing and the Athletic Complex, use of the Meal Plan, the ability to drop and add courses, and to cash checks at the Cashier’s Office. In severe cases, students will be withdrawn from the University. In addition, a \$100 late payment fee will be assessed on any account that is not resolved by the due date. ### Internal Transfer

Students who wish to transfer internally (e.g., from Arts and Sciences to Management) must first pick up the application form in the Dean’s Office during the registration period (beginning November 12). Forms should be returned to the Dean’s Office by November 27. The Dean will review the application and then notify the student and the Office of Student Services.

### Graduation Information

Boston College has three graduation dates—December 30, August 30, and May (date varies yearly). If you believe that you have completed all your degree requirements as of the end of the previous semester and should have graduated, please contact the appropriate person.

- A&S: Mary McCrosson, 617-552-4974
- CSOM, LSOE, CAS, GCAS, SON, GSON: Caitlin O’Connor, 617-552-3305

Diploma Names

All graduate and undergraduate students who plan to graduate in May 2002 should sign-up on-line at <http://agora.bc.edu> by February 15, 2002. Select “View/Edit Diploma Name” from your AGORA services menu. Your name will appear as it is listed on the University’s student system. You may keep your name as it is or enter new information. After February 15, 2002, Student Services will download the names of the May 2002 graduates for their diplomas and for the Commencement Book.

Mailing Address Update

Undergraduate and graduate students can change their local, home, or parents’ addresses and telephone numbers on-line at <http://agora.bc.edu>. Be sure to update your local address for next semester to insure that you receive important mailings concerning registration, graduation, grades, and housing. The Dean of Students needs your local address in case of emergencies.

Because of the increasing number of students who need to have grades sent to more than one address, a second address file for grades has been established. To have grades mailed to more than one address, please notify Student Services by mail or in person. The request must include your name, Eagle Number, school, second address, and signature. Your name and second address will be placed on file and grades mailed to both your home and second address each semester until you graduate.

Loan Certification

The National Student Clearinghouse will process deferment forms after January 18 for spring 2002 in accordance with Federal regulations. If you need an enrollment certification for deferment of a student loan, mail or fax the forms to the following address: Office of Student Services, Lyons Hall, Chestnut Hill, MA 02467 or stop by Lyons 103. Your deferment form will be forwarded to the National Student Clearinghouse. If the enrollment certification does not require an official school seal or signature, you may process the certification on-line at <http://agora.bc.edu>.

If you register for Interim Study, Thesis Direction, Doctoral Continuation, Doctoral Comprehensives, a full-time Student Teaching Practica, or Internship, you are considered a full-time student. If you are a Graduate Assistant for an academic department, a Teaching Assistant, Teaching Fellow, Research Assistant, or University Fellow, you may be considered full-time with less than the normal full-time credit load. This full-time category applies only to loans and is not considered full-time status for automatic medical insurance enrollment. Students in this category are required to fill out a part-time medical insurance form.

You must be registered to be certified. If you withdraw from courses at any point during the semester your certification status will change and this change will be reported to your guaranty agency by the Clearinghouse.

## Communication

### CO 104 Interpersonal Communication

This course focuses on theory and research concerning communication in everyday interactions. First, the course includes perspectives on the self as it is influenced by and influences communication. Second, the basic aspects of message production and understanding will be discussed. Lastly, the course focuses on communication in relational contexts. Students in the course are encouraged to evaluate their own communication practices and practice effective communication skills.

Pamela Lannutti

### CO 255 Media Aesthetics

Media producers and consumers have one common interest: good productions—meaningful, well made, and deserving an attentive audience. Critics, practitioners, and families at home all have a stake in being able to explain why one production is strikingly fine and satisfying, while another is trite and shallow. This course addresses such interests, using audio and visual aesthetics based on production values, entertainment values, and human values. The workload will be to study films, TV and radio shows, ads, and recorded music, and to assess them using the aesthetics learned in class.

Kevin Kersten, S.J.

### CO 441 Men, Women and Popular Culture

This class explores how communication practices shape our conceptions of others and ourselves as gendered individuals. We will focus on how popular culture, in particular, often promotes our acceptance of various gender roles as normal and inherent. We will address masculinity and femininity in the context of television, film, music, music videos, novels, comic books, advertising, sports media, and the WWW. Evaluating representations of men and women in popular culture, as well as considering men and women as pop culture audiences, will be integral themes in this course. Major assignments include a midterm, final, and 20-25 original research paper (writing intensive standard requirement).

Susannah R. Stern

### CO 485 Advanced Intercultural Communication: studyabroad.com

Prerequisites: CO 442 Intercultural/International Communication or its equivalent  
Students must be enrolled in a BC-sponsored international program.  
Instructor's permission

This is a web-based, advanced intercultural communication course intended for those studying abroad. Students will meet with the instructor for one class period prior to going abroad to discuss projects, assignments, required readings, etc. Weekly electronic journal entries and “chats” based on reading assignments are mandatory as well as three small research papers.

Marilyn J. Matelski

## Nursing

### NU 317 Forensic Mental Health

The interface of mental health and the law requires an understanding of biopsychological, legal and sociocultural components of human behavior. This course examines the assessment, diagnosis, and outcomes of people whose lives bring them into a judicial setting, either criminal or civil. Content will cover such topics as the following: forensic interviewing and evaluation; case formulation; DSM diagnosis; treatment modalities; criminal investigations and charges; state of mind; duty to warn; memory and recall; malingering; and secondary gain. Forensic cases will form the basis for discussion of each class topic.

## Final Exam Information

All courses have a scheduled exam time determined by the starting time of the course. This listing shows standard class meeting time exam assignments for undergraduate courses. In general, common exams are held at 4 pm. If a course does not fit exactly into a module, it assumes the module corresponding to the closest class meeting time. For example, a class meeting T TH 11 is assigned module 10 (T TH 10:30\*). In situations where the non-standard time falls **halfway** between two modules, use the module for the later time. For example, a class meeting M W F 9:30 is assigned module 03 (M W F 10).

All graduate courses meeting **once a week** and undergraduate courses that start at 4:00 pm or later and meet **once a week** will have final exams on the first regular class day that occurs during the exam week. All graduate courses meeting **more than once a week** and undergraduate courses that start at 4:00 pm or later and meet **more than once a week** will have final exams on the class day that is earliest in the calendar week. For example, the final exam for a T TH 4pm class would be held Tuesday at 4pm. Exams will be held at the usual class meeting time and location unless otherwise posted on the exam schedule.

The meeting place for each exam will be posted in Lyons basement one week prior to the exam period. Exam information is also available on *U-View*.

**If there is a storm during the examination period, there is the expectation that exams will be held as scheduled. In the very rare instance that the exam schedule is delayed or postponed due to inclement weather or other emergency situations, the first available of the following days will be used: The Sunday during the exam week, the afternoon of the last exam day, and the day after the last exam day.** If rescheduling is necessary, announcements will be made on WBZ, WRKO, and WBMX, and on the Boston College INFO line (552-4636). **For graduate and professional students, announcements concerning final exams will be made on the same radio stations and on 552-INFO. Students are responsible for attending final exams at the scheduled times. In addition, students should consider possible exam rescheduling when making travel plans at the end of the semester.**

Students are expected to take no more than two final exams in any one day. If a student has three exams scheduled in one day and one of these is a common exam, it is the responsibility of the instructor holding the common exam to give a make-up exam. If a student has three regularly scheduled exams (this can happen if the student is taking a course that meets at 4:00 pm or later), the instructor teaching the course outside of the standard time blocks (8 am-3 pm) should provide a make-up exam. In addition, if a student has a conflict between a common exam and a regularly scheduled late afternoon or evening course exam, the responsibility for a make-up lies with the instructor offering the common exam.

## Final Exam Information

All courses have a scheduled exam time determined by the starting time of the course. This listing shows standard class meeting time exam assignments for undergraduate courses. In general, common exams are held at 4 pm. If a course does not fit exactly into a module, it assumes the module corresponding to the closest class meeting time. For example, a class meeting T TH 11 is assigned module 10 (T TH 10:30\*). In situations where the non-standard time falls **halfway** between two modules, use the module for the later time. For example, a class meeting M W F 9:30 is assigned module 03 (M W F 10).

All graduate courses meeting **once a week** and undergraduate courses that start at 4:00 pm or later and meet **once a week** will have final exams on the first regular class day that occurs during the exam week. All graduate courses meeting **more than once a week** and undergraduate courses that start at 4:00 pm or later and meet **more than once a week** will have final exams on the class day that is earliest in the calendar week. For example, the final exam for a T TH 4pm class would be held Tuesday at 4pm. Exams will be held at the usual class meeting time and location unless otherwise posted on the exam schedule.

The meeting place for each exam will be posted in Lyons basement one week prior to the exam period. Exam information is also available on *U-View*.

**If there is a storm during the examination period, there is the expectation that exams will be held as scheduled. In the very rare instance that the exam schedule is delayed or postponed due to inclement weather or other emergency situations, the first available of the following days will be used: The Sunday during the exam week, the afternoon of the last exam day, and the day after the last exam day.** If rescheduling is necessary, announcements will be made on WBZ, WRKO, and WBMX, and on the Boston College INFO line (552-4636). **For graduate and professional students, announcements concerning final exams will be made on the same radio stations and on 552-INFO. Students are responsible for attending final exams at the scheduled times. In addition, students should consider possible exam rescheduling when making travel plans at the end of the semester.**

Students are expected to take no more than two final exams in any one day. If a student has three exams scheduled in one day and one of these is a common exam, it is the responsibility of the instructor holding the common exam to give a make-up exam. If a student has three regularly scheduled exams (this can happen if the student is taking a course that meets at 4:00 pm or later), the instructor teaching the course outside of the standard time blocks (8 am-3 pm) should provide a make-up exam. In addition, if a student has a conflict between a common exam and a regularly scheduled late afternoon or evening course exam, the responsibility for a make-up lies with the instructor offering the common exam.

## Explanation of Course Numbers

The Boston College Course Number consists of seven characters. The first two characters (alphabetic prefix, e.g., “MA”) indicate the department or program offering the course; the last two characters indicate the section number. The middle three characters indicate the level of the course. When listing courses the entire seven-character symbol must be used as well as the four digit INDEX number which appears to the left of the course. For example: 9999 MA333.01.

University Courses and Capstone

No student may take more than one Capstone seminar during his/her undergraduate years. Thus, you may not take two Capstone courses in one semester or two different semesters. This is true whether the course is listed under UN numbers, or as a course in a specific department. If a second Capstone course appears on your record, it will be removed. This could make you ineligible for graduation.

# U-View via Modem

## Modem Setup

- In your communications package, set your modem speed to the speed rated for your modem. The other settings remain the same: 8 bits, no parity, hardware handshake or flow control. Error correction should be turned off.

## Logging On

- Use your communications software (Mac Terminal, ZTerm, Reflection, ProComm, YTerm, e.g.) to dial the modem pool number: 1 617 552 2790. Use SPACES to separate the numbers!
- When asked for a host name, enter **BCVMCMS.BC.EDU**.
- Press <RETURN>. On the blank line under **Please enter a terminal id;** prompt, type 1 for VT100, unless you know that your machine is otherwise.
- The BC screen will appear. Type your username on the **Enter your Username, Eagle Number...** prompt and press <RETURN>. (You can use any of the listed options.)
- Tab once and type your PIN (Personal Identification Number) on the **Enter Your PIN Number:** prompt and press <RETURN>.
- You are now at the APPLICATION MENU screen of UIS. Select the application you wish to use (e.g., UIS, QUEST) and type its corresponding number on the **SELECTION=>** prompt and press <RETURN>. (For *U-View*, type **1** for the UIS system.)
- You are now at the System menu for UIS. Your options will vary. Type the number for *U-View* (or other service) on the **ENTER SELECTION** line and press <RETURN>.

## Logging Off

- If you are using UIS mail, return to its main menu. Type **L** on the **ENTER YOUR CHOICE** line and press <RETURN>.  
If you are using *U-Buy*, return to its main menu. Type **L** on the **TYPE SELECTION HERE...** line and press <RETURN>.  
If you are using *U-View*, return to its main menu. Type **L** on the **TYPE SELECTION HERE...** line and press <RETURN>.
- The APPLICATION MENU screen will appear. Type **L** on the **SELECTION=>** line and press <RETURN>.
- You are now at the BC screen. Type Y on the Enter “Y” to disconnect: prompt and press <RETURN>.
- At the **Type “C” Servername>** prompt, type log to disconnect.  
“C” option on *U-View Plus* (View Courses) can now access both fall and spring courses.

## U-View Plus

Instructions are posted in the Student Learning and Support Center and in O’Neill 248.

## U-Dial

- Call the Boston College Voice Response Unit:  
617-552-8800  
If you are calling outside the 617 area code, be sure to dial 1 + 617 before 552-8800.
- Enter your **Eagle Number** or your **social security number** upon request.
- Enter your 5-digit **personal information number (PIN)**.
- Once you have accessed the voice response unit, the tape will list the main menu of transactions. (Review the selections below to be sure you understand the differences between transactions.) The system will then request that you choose a transaction by pressing one of the following:  
**TO ADD A COURSE:** If you wish to **add** a course, press **1** when prompted to do so. Then follow the instructions at each prompt until the add transaction is completed.  
**TO DROP A COURSE:** If you wish to **drop** a course, press **2** when prompted to do so. Then follow the instructions at each prompt until the drop transaction is completed.  
**TO ADD AND DROP A COURSE:** If you wish to **drop** one course and then **add** one course, press **3** when prompted to do so and follow the instructions at each prompt until the drop/add transaction is completed. This transaction will *not* complete the drop *unless* you successfully add one course in its place; therefore, you shouldn’t worry when the drop transaction appears not to have gone through. This transaction should be used if you are changing the corequisite for a course (a lab or a discussion group).  
**TO CHECK THE STATUS OF A COURSE:** If you wish to check quickly to see if a particular course is **open**, press **4** when prompted to do so. Then follow the instructions to check the status of the course.  
**TO LIST COURSES:** Press **5** to hear the courses you are currently registered for or to confirm your transaction(s).  
**TO END CALL:** Press **9** to disconnect from the Voice Response Unit. Be sure to listen carefully to instructions as you proceed with any transaction. **If you make a mistake at any time, press \* to start over.**

Once you are familiar with the system, you can bypass the recorded message by entering the information requested at the beginning of the prompt.

## Problems/Error Messages

You may encounter a problem or receive an error message while using the voice response unit. The most probable messages/problems and solutions are listed as follows.

Problem/Message	Probable Solution
-----------------	-------------------

- |  |   |
|--|---|
| 1. Can’t access system   | Use a touch-tone phone not a rotary phone, or try from another phone. Your phone may be malfunctioning.   |
| 2. System not available  | You are calling outside the hours 8:00 A.M. to 11:00 P.M. seven days a week. Please call during <i>U-Dial</i> hours. OR the system is experiencing unscheduled downtime. Please call back in 15 minutes.  |
| 3. Busy Signal   | The system’s incoming telephone lines are all in use. Try again later.  |
| 4. System does not answer  | The Voice Response Unit is not functioning. Try again later.  |
| 5. Wrong ID  | Check to make sure that you are inputting your Eagle or social security number correctly.   |
| 6. Wrong PIN   | Check to make sure that you are inputting your PIN correctly.   |
| 7. Wrong index numbers   | Check to make sure that you are inputting the correct 4-digit index number, not the course number (e.g., 9999 rather than EN999.09). Refer to the <i>Schedule of Courses</i> for index numbers.   |
| 8. Time Conflict message   | Check the <i>Schedule of Courses</i> or the Course Status List available on <i>U-View Plus</i> . If there is still a problem, there may have been a time change. What is on the computer is correct since it is the most up-to-date.  |
| 9. The course you want is <ul style="list-style-type: none"><li>• a sixth course</li><li>• restricted to a major or school</li><li>• closed or requires department</li></ul> | Students in A&S, CSOM, and SON who maintain a 3.00 GPA, may add a sixth course on-line (up to 20 credits) during the first week of classes.<br><br>You must get the appropriate departmental approval to be allowed to override these restrictions.<br><br>For all these restrictions, see the department. If they issue an override, obtain the necessary stamp(s) and/or signature(s) and bring the approved form to <b>Lyons 103 by 4:30 P.M. on January 18.</b> |

If the above does not resolve your problem, or if you have a difficult problem, call 617-552-3300 during business hours, Monday-Friday 8:45 A.M. to 4:45 P.M.

# Connecting To UIS via an Eaglenet Connection

## TN3270 on the IBM

TN3270 is a software tool that allows your networked IBM to establish ‘terminal sessions’ with IBM mainframe computers such as the Boston College UIS System or the QUEST system in order to access *U-View* or Quest.

### Starting TN3270

**Double-click** on the TN3270 icon. It is located in the **PC/TCP Applications** window located in your Program Manager.

### Logging on to UIS

- Once you have double-clicked on the TN3270 icon, you will see the **Open** dialog. If this is your first time using this program, the **Sessions Available:** box will be blank.
- NOTE: The programs TNVT and TN3270 use the same dialogs, so if you save a session in TNVT and then open TN3270, you will see it in the Sessions Available box as well.**
- Click** on the **Cancel** button. You will now see a blank screen. **Choose** *New...* from the **Session** menu at the top of your screen.
- You will now see the **New** dialog. Type **bcvmcms.bc.edu** in the **Host Name or IP Address:** box and click on the Connect button.
- You will see a message, *Trying to connect to bcvmcms.bc.edu* then *Entering 3270 mode* in the lower left corner of your screen. The BC screen will now appear. Follow the on-screen instructions.

If you do not know your username, consult your *Communications Directory*.

If you have forgotten your PIN (Personal Identification Number), you must go to the HELP Center **in person** or the O’Neill Computing Facility and present your valid Boston College ID. An authorized person will then look it up.

### Saving a Session

#### (“shortcuts” to connect to a host)

Boston College’s University Information System (UIS) is being used for this example. You can save any other session to any other host in the same way.

- Open** a connection to UIS or any other Host computer.
- Once you are through, log out of UIS as you normally do. **Choose** *Close* from the Session menu.
- You will now see the **TN3270** dialog asking you if you want to save this session. **Click** on Yes.
- You will now see the **Save As** dialog box. Type **UIS** or **bcvmcms** (matter of preference) in the **New Session Name** box. **Click** on the **Save** button.

### Opening an existing session

#### (using “shortcuts”)

- Double-click** on the TN3270 icon if you are not logged in, or **choose** *Open* from the **Session** menu if TN3270 is already open. You must close a current session to open a new one.
- You will now see the **Open** dialog box. You should see UIS or bcvmcms (depending on what you named it) in the **Sessions Available:** box.
- Click** on the name to highlight and **click** on the Connect button. You should now see the BC screen.

### Quitting TN 3270

- Log out** of whatever system you are currently connected to.
- Choose** *Close* from the **Session** menu.
- Choose** *Exit* from the **File** menu. You will be asked if you want to save the session. If you have already saved a session document for UIS, or any other Host computer, **click** No.

### Telnet Users

- Choose** *New...* from the **Session** menu at the top of your screen.
- You will now see the **New** dialog. **Type** **bcvmcms.bc.edu** in the **Host Name or IP Address:** box and click on the **Connect** button.

## TN3270 on the Macintosh

TN3270 is a software tool that allows your networked Macintosh to establish ‘terminal sessions’ with IBM mainframe computers such as Boston College, UIS or QUEST systems in order to access U-View or Quest.

### Starting TN3270

- Double-click** on the TN3270 icon.

### Logging on to UIS

- Choose *Open Connection* from the **File** menu.
- Type **BCVMCMS.BC.EDU** in the **Session name** box and click on the OK button.
- The UIS Login screen will appear. Type your username and the <TAB> key. If you do not know your username, consult your Communications Directory. (Your username is on the last line of your personal information, before the colon.  
Ex.: USERJOE:USERJOE@HERMES.BC.EDU; USERJOE is the username.)
- Type your Personal Identification Number at the PIN: prompt and press <RETURN/ENTER>. 

If you have forgotten your PIN, you must go to the HELP Center, Gasson 12, or the O’Neill Computing Facility **in person** and present your valid Boston College ID. An authorized person will then look it up.

- You are now at the main screen of B.C.’s UIS system.

## Shortcut to UIS

- If you mainly log on to BC’s UIS System, you can automatically advance to the login screen and skip the Open Connection and Session name boxes.
- Within the TN3270 folder, you will see two documents: “UIS System/Color” and ‘UIS System/B&W’. If you double-click on either of these documents, you will immediately advance to the Username: prompt.
- If you have a color monitor, double-click on the ‘UIS System/Color’ icon. If you have a black and white (or ‘greytone’) monitor double-click on the ‘UIS System/B&W’ icon.

### Telnet Users

- To make a connection **choose** **Open Session** from the File menu. Type **BCVMCMS.BC.EDU** as the Session name.
- Click** ok
